

Living The MGI Way

The **culture** that makes
us who we are.

Our purpose

☞ To bring like-minded
professionals
together to build **trusted**
relationships that add value
to member firms and
clients **everywhere.**”

Trust sits at the center
of everything we do.

The MGI Way

We have a great culture and way of working. We call this The MGI Way.

Brought to life through 5 simple principles:

- We build trust first
- We work as one community
- We share knowledge openly
- We focus on quality and care
- We open doors and support one another

A shared culture. How are you living it?

What our
culture
looks like in **action:**

- Firms supporting firms
- Quality you can rely on
- People developing through our network
- Cross-border collaboration for clients
- Connections that lead to opportunity

Living The MGI Way gives us
the Power to Connect, the
Power to Collaborate, and
the Power to Grow - in more
ways than one.

Our track record

80 years of collaboration
and shared **SUCCESS.**

The MGI Way has shaped
our network for decades.

- 8,500 professionals
- 100 countries
- 440 locations

80
YEARS
TOGETHER

When we live
The MGI Way
clients feel the
difference.

Through trusted relationships
and seamless cross-border
collaboration, we see better
outcomes for clients, and more
opportunities for our member
firms and their people.
