EXPENSES

Expenses are any payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or a member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder, and then reimbursed to the office holder from the estate.

Category 1 expenses do not need approval from creditors before they are charged to the estate. These are payments to persons providing the service to which the expense relates who are not an associate of the office holder. Examples of such expenses are case advertising, insurance, invoiced travel and printing, room hire and document storage provided by non-associated third parties.

Category 2 expenses require approval from creditors before they are charged to the estate whether paid directly from the estate or as a disbursement. These are payments to associates or which have an element of shared costs. Examples of such expenses are business mileage, postage and photocopying.

Milsted Langdon LLP will re-charge the estate, where approval has been obtained, the following category 2 expenses:

- Mileage at 45 pence per mile and in accordance with HMRC's policy, a passenger allowance of 5 pence per mile will be added where appropriate.
- Postage at the cost incurred at the time of franking.
